

## The European Space Agency (ESA) Student Sponsorship

As part of the ESA Conference Opportunities for Sponsored Students (ECOSS) Programme, the ESA Education Office is pleased to be able to offer sponsorship to European students interested in attending the event. Highly qualified full-time students from ESA Member or Cooperating States are encouraged to apply for ESA Sponsorship.

Students selected by ESA Education will be reimbursed up to a maximum of 300€ in travel and accommodation expenses. Sponsorship will be in the form of a single reimbursement **after** the conference.

Before applying students must visit the conferences page:
