

ESA Student Sponsorship

As part of the ESA Conference Opportunities for Sponsored Students (ECOSS) Programme, the ESA Education Office is pleased to be able to offer sponsorship to European students interested in attending the 2012 International Workshop on Environment and Alternative Energy. Highly qualified full-time students from ESA Member or Cooperating States are encouraged to apply for ESA Sponsorship.

Students selected by ESA's Education Office will be reimbursed up to a maximum of 800€ in travel and accommodation expenses. Sponsorship will be in the form of a single reimbursement **after** the conference.

Before applying students must visit the conferences page of the ESA Education Portal : http://www.esa.int/SPECIALS/Education/SEMKIDMVGJE_0.html and:

- Check their eligibility for the programme under the "Sponsorship Conditions" http://www.esa.int/SPECIALS/Education/SEMDZ5ITYRF_0.html.
- Familiarize themselves with the content of the "How to Apply" http://www.esa.int/SPECIALS/Education/SEMAZXWX3RF_0.html.

To apply, please visit ESA Education registration system: www.joinspace.org

The deadline for sponsorship applications is **September 24th 2012**.
